How to assure \_\_\_\_\_ won't be like \_\_\_\_\_.

We learn from our mistakes in the areas

that matter \_\_\_\_\_.

1. The \_\_\_\_\_ Myth

2. The \_\_\_\_\_ Myth

3. The \_\_\_\_\_ Myth

When we are in pain, we become very \_\_\_\_\_.

When we're healthy, we have \_\_\_\_\_.

When Moses, David and Paul came back and started over,

they had two things: a divine sense of \_\_\_\_\_

and an abiding sense of \_\_\_\_\_.

## *Romans 8:28*

God can \_\_\_\_\_ and \_\_\_\_\_ all things.

God can leverage \_\_\_\_\_ out of \_\_\_\_\_

if you \_\_\_\_\_ Him to.

Next time *can* be \_\_\_\_\_ than last time –

because you're going to \_\_\_\_\_ for it to be.
